Fund: 4100 General Construction

Map Sect/Quad: CITYWIDE

Project Name:
Siren System Expansion Project

Equipment Type and Description: The project is to purchase and install 4 sirens a year to expand coverage. The project will upgrade the control system in 2018. New sirens are being placed to provide outdoor warning system coverage in growth areas of the community. Replacement sirens are replacing older sirens that have exceeded service expectancy; in addition, the replacement sirens will provide enhanced coverage and capabilities.

ESTIMATED CAPITAL EXPENDITURES
TOTAL \$690,100.00
